Dynamic Talks by

Jill Stanek, RN ~ Monica Miller, Ph.D.

Robert Fastiggi, Ph.D.

Exciting Workshops

- Helpers of God's Precious Infants — Sidewalk Witness Prayer and Counsel Training for those who want to do more at the “clinics” to prevent abortion.
- Jill Stanek, RN — how to witness using the New Media (FaceBook, Twitter, etc.)

In this important election year 2012, we take an honest, intelligent look at these topics: Abortion, stem-cell research, euthanasia. Are we “playing God”? Is “pro-choice” a morally acceptable position? In good conscience, can we vote for a pro-choice candidate?

Come to learn about how Faith and Conscience Matter and how to proceed as God's faithful ones with wisdom, good advice and the experience of others to guide us. All are welcome.
